

PREPARING FOR OUR CONVERSATION

In preparation for our first conversation, I've designed this helpful resource to support you with gathering some initial important details on how we will work together.

A ssess we are a good fit in our first complimentary meeting

N avigate and review the process of working together and set an intention.

A ttain clarity around your vision and needs through an in-depth questionnaire.

M ap out the different elements that will make up your ceremony.

C heck-in with each other throughout the design process at regular intervals.

A rtfully weave in the subtle nuances of ritual into your sacred ceremony.

R espond to any final details the week before your ceremony.

A join in the presence of those who attend to witness and participate in your ceremony.
